

Biting

1

Biting is using your teeth to hurt someone.

2

Biting someone can cause painful injuries.

3

Biting can be **dangerous**. Bites can spread nasty infections (germs).

4

Biting is a very **unkind** thing to do and makes people upset or angry.

5

Adults can get **cross** with children who bite.

6

When someone has been unkind to us, it can make us feel very angry and upset. It is **OK** to feel like this.

7

We may feel like we want to bite them. This is **not** OK.

8

Sometimes doing a calming activity can help.

9

Hitting people is not OK and it can get you into trouble.
