

# Story Circles

## Fortunately/Unfortunately

**Equipment:** None

**Number of participants:** 3+ (an odd number is best)

**Instructions:**

The story starts with the first person making a statement e.g.

***"I am going on holiday."***

The person next to them then continues the story starting with the word 'fortunately' e.g.

***"Fortunately, I am going to stay in a hotel with a swimming pool."***

The next person then continues the story starting with 'unfortunately' e.g.

***"Unfortunately, there is no water in the pool."***

The story continues round the circle alternating between fortunately and unfortunately.

You can agree a number of rounds or a time limit for the story but try to end on a fortunately statement.

If the story becomes too nonsensical then start a new story.
