

Getting Dressed

- Getting dressed is putting on the right clothes so that I am ready for the next part of my day.
- At home my parents like it when I get dressed quickly without making a fuss.
- If I take too long to get dressed my parents may get cross with me.
- Sometimes I might not want to get dressed. I might want to do something else. Feeling like this OK but it is still important to do the right thing.
- If I don't get dressed my parents may get angry with me.
- It is good to get dressed quickly when my parents ask me to. I may sometimes not want to but I still need to get dressed. If I do this I will be OK and so will my parents.
