

# If I Bite Someone

- **If I bite someone I am using my teeth to hurt them.**
- **It is never OK to bite someone. If I bite someone I can cause painful injuries. I can also spread nasty germs.**
- **If I bite someone I am being very unkind.**
- **If I bite someone I can make that person upset or angry with me. Other people may also get cross with me.**
- **Sometimes when people annoy me I may feel angry. This is OK. I might feel like I want to bite them. This is not OK.**
- **Biting is a horrible thing to do and can be dangerous. It is never OK to bite someone.**
