• Play fighting is a game that many children like to play. It can involve pushing, tripping up and wrestling each other.

• Play fighting can be fun but it can also cause problems. These include:
  o someone getting hurt
  o someone getting upset or angry
  o play fights turning into real fights

• Play fighting is against school rules. This is to keep everyone safe. If you accidentally hurt someone they may get angry or upset with you. Adults may also get cross with you.

• Play fighting at school is not OK. It can often make you or others unhappy. It can also get you into trouble with adults.
